E-Statements

Consider this – the Credit Union prints out almost 3,000 pages monthly for share draft statements and 7,000 pages quarterly for our entire membership. E-statements save paper, printer ink, and a whole lot of trees. What better contribution can be made than help saving our environment for future generations? It's a great start! It's time to Go Green!

Get your statement instantly on the first day of each month without waiting for the mail or worrying about it getting into the wrong hands. You can view it online or print it to balance later - whatever works for you. Either way, your information is always available, whether you are looking for something current or in the past.

We are encouraging our members to enroll in E-statements rather than paper statements. For a limited time, we will give you \$20 in your account for simply switching from paper statements to e-statements. You can't find an easier way to help save our environment and earn extra cash!

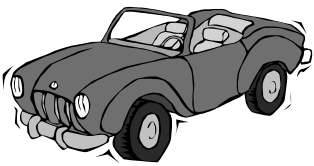

Contact the credit union today for more details.

Visa Travel Card

Amherst FCU now carries a prepaid Visa TravelMoney card. This convenient card is better than travelers checks. It is reloadable (up to 4 times), there is ATM access with a PIN number, it is cancelable if lost or stolen and it is transferable for use by a spouse and children.

The TravelMoney Card is safe, secure and reduces the fear of identity theft. We can help you travel with peace of mind.
